Erratum to "Approximation of Drygas functional equation on a set of measure zero"

Muaadh Almahalebi

Received : September 2016

On critical examination of the results given in my paper [1], I noticed one crucial error.

I need to carry out the following correction:
On page 230, the inequality (3.11) must be

$$|f(x) - A_n(x) - Q_n(x)| \leq \frac{3}{n}$$

and the next inequality in page 231 must be $—A_n(x) - A_m(x) + Q_n(x) - Q_m(x)| \leq |A_n(x) + Q_n(x) - f(x)| + |f(x) - A_m(x) - Q_m(x)|$
$\leq \frac{3}{n} + \frac{3}{m} \leq 6$
for all $m, n \in N$ and $x \in R$.
